

**Notice of Intent to File an
Application with USDA, Rural Development**

The City of Brewster, WA intends to file an application with USDA, Rural Development for financial assistance for the following purpose: Replacement of two existing water supply wells contaminated with manganese, installation of new valves throughout the water system, replacement of existing water meters, and construction of new water pipelines to serve the new wells and replace existing undersized pipes. The anticipated cost of this project is \$9,100,000. The City is filing an application for funding through the USDA Rural Development Rural Utility Service program in the amount of \$9,100,000 to include loan and grant funds.

A public meeting for comments on the project will be held on April 25th at 12:00 p.m. at Brewster City Hall, 14 S Third Street. Details of the proposed project may also be viewed at City Hall.

Also, the public is invited to consult with USDA, Rural Development on any concerns regarding environmental resources that may be affected by the proposal. The address and phone number of the Rural Development office is:
