CRACK SEALING CITY STREETS

The County is chip sealing highway 17 and 173. They have offered to do some of our Streets like 7th St but they can only repair 3 blocks of it. JD Smith does not think that it would be good to chip seal them before repairing the cracks.

Dave Freels motioned to use \$1920.00 out of Capital Improvements and Art Smyth seconded the motion. Motion passed unanimously to repair the cracks on the street before they are chip sealed.

JAIL FEES – JERRY TRETWOLD

The Jail fees documents from Michael Howe were given to Bob Fateley and he requested that copies be made for all Council members, City Clerk Pam Olsen, Police chief Ron Oules and Public Works Director JD Smith.

For the year 2005 fees were paid. We may have a credit after our audit and “could” get some of this money back. We had paid \$34,000 in 2005. The jail fees doubled for 2006. We have paid \$30,000 of the \$64,000 balance for 2006 and we owe approximately \$34,000, according to Finance Director Pamela Olsen. For the year 2007 fees have not been billed yet, but it will more than likely be the same amount as 2006.

Councilmember Tretwold mentioned that all the cities are having the same problems that we have with the jail fees.

We did not budget for this in 2008 and also we did not include this under the reserve fund. We need to designate a council member to follow up on this and find out what is going on. Dave Freels would like to see the council take care of it.

It should be the responsibility of the Police Chief and also Dave Freels is a Police commission member.

Councilmember Tretwold would like Dave Freels to be the representative for Brewster. Councilmember Tretwold motioned to accept Dave Freels, motion seconded by Kris Dawson, motion passed unanimously.

Councilmember Tretwold wants to find out how is the city going to pay for this.

He suggested that the council members meet with the Departments Heads to discuss the jail fees. We need the current budget amounts to review this.

Bob Fateley mentioned that for next year budget 2009 we will have to create a fund for this or put money away.

Councilmember Dave Freels will talk to Lee Webster and then to Chief Ron Oules, he would also like all the cities to get together on this.

PUBLIC COMMENT:

Rosa Garcia came to the council meeting because she bought a house in 1993. They built a garage and it is not allowed to have people living in it. But they did have the inspector go through it and check it out but they do not have any papers to prove it. Rosa will come to City Hall to meet with JD Smith and Sandra Miranda after Memorial Day holiday to discuss this and see if we have any documentation.

ADJOURNMENT

There being no further business to come before the Council the meeting was adjourned at 7:30 p.m.
